

From the days of riverboats and canals to today's Scenic Byway and fiber optic backbone, Scottsville has a traditional role as a hub for small business. Once a thriving river trading center, the town is now a tourist getaway and center of a diverse and growing rural market.

This page shares some fast facts and simple tips to make doing business in Scottsville easier and more productive. Whether you're a third-generation fixture in town or an entrepreneur new to the region, Town staff are eager to help! Staff also rely on generous volunteers serving on committees and commissions focused on economic development and long-range planning.
